

Products and Services

- Bench Testing & On-site Pilot Verification
- **Cuf** Technology, Economics, & Performance
- **SRU** Features & Benefits
- **Photo-Cat**
- Hydrophilic Property Advancement Using SiC Ceramic Membranes
- Purifics company Profile
- Typical SCADA/HMI Screen Demonstration
- **Cuf** Procurement

Case Histories & Competitive Evaluations

- **Cuf** Installations Case Histories
- Urban Runoff and Stormwater
- Hilldale, MS Drinking Water Case Study
- **Cuf** Competitive Evaluations

Specific Technology

- Membranes and Processes
Differentiation, they are all not the same.
- On-Site PFAS Destruction Using **Cuf** & **Photo-Cat**
- Automation & Controls
- Concentrated Sweep Floc
- LT2 Compliance with Marker Based DIT
- O&M CapEx Reduction with **Cuf**
- Screen and Mesh Size & Application
- Synchronous Chemical Feed Systems
- System Procurement & Installation

After Sales Support

- Factory Training
- Shipping & Installation
